

LA Unified Students are...

Self-Advocates

They speak up for themselves, make smart decisions, and achieve their goals.

Open-Minded & Ethical

They understand other people, respectfully share their opinions, and understand facts vs opinions.

Adaptable

They are creative, solve problems, try again, and think about how to do better.

Effective Communicators

They work well with others, explain their feelings, and communicate their ideas.

LA Unified Graduates are...
